**Trail Report:**

Trail work has begun and work has been done on the Lamson Rd, 3 mile pond to the club, Glidden's field to the pipeline, Tom Foster's, the Spring road, the bridge near the Leavitt Rd and some of the signs have also been put out. There is still more work to be done and anyone interested in helping should meet at the club house at 8:30 on Sunday mornings.

There were some close calls last year crossing roads while dragging trails. We discussed the need for having a way for the sleds to be more visible while crossing roads as well as to oncoming snowmobile traffic on the trails. It was decided that orange flashing lights would be the best idea. Mark L. will be getting these lights and we should have them on the sleds before drag work starts.

**New Business:**

MSA raffle tickets are available.

Please see Mike Barden to pick up some tickets and sell, sell, sell.

**Old Business:**

Yankee candle sales will be closing on November 2<sup>nd</sup>. Money and orders will need to be turned in on that day.

In November we will be having our annual Thanksgiving basket raffle.

MSA raffle tickets are still available. See Mike Barden to get tickets and sell, sell, sell.

Brenda is still collecting bottles for the club.

The insulation on the doors needs to be replaced.

Norm B. will check on pricing for insulation and the cost of a new door for future reference.

One of the snowmobile crossing signs has disappeared on the Weeks Mill road. Mike Barden will check on the cost of getting more.

The outside light has become expensive to leave on all the time. We have decided to keep this light off and only turn it on when there is a function or rental

### **Safety Officer:**

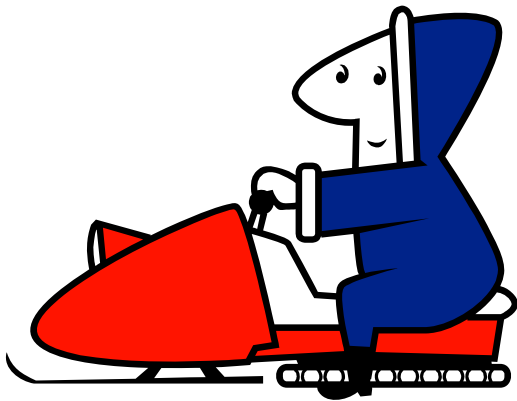

Gas quality - You should always start the season with fresh gas and check the carburetor to insure that your machine is running tip top. This will decrease the risk of having a break down on the trails. A clean fuel system is a must!

at the club. Norm B. will check the cost of a new more efficient light.

We have decided not to have the traditional landowners supper this year. Instead we will send our land owners a certificate to attend one of our public suppers for free. In Nancy B.'s absence Nancy Panek drafted a letter to the land owners explaining our decision and sent them out with the certificate. Thank you to Nancy for taking care of this.

Norm B. has taken pictures of the drag that we are trying to sell and Mike Pushard seems very interested. Norm will set up a meeting with him to check out the sled in person.

Mark L. has been out checking on a couple of business memberships. 1-7-10 Entertainment Center has rejoined. Peter Michauds Heating has also rejoined. LaPointe Lumber has asked to have an application be sent to them (done, Nancy P.). We have new opportunities for membership with C & S market on Riverside Dr. and Abbotts market on Rte. 17.

New business membership forms will be sent to business' that supported us last year along with this newsletter.

Many of our current families have already renewed their memberships for this year and we have a new member in Scott Mairs. Welcome Scott!

If you have not renewed your membership, now is the time! Membership must be renewed by November 2nd in order to continue to receive the MSA paper.
