Joe says one of the drags needs to be repaired and Mark says the lights for the sleds just need to be installed. Then all we need is snow and we should be ready to ride! An appreciation breakfast for those who worked on the trails (and their spouses) will be held at 8:00am on 11/22 at the Club

We will have a Chinese swap, those who wish to participate should bring a wrapped gift to put under the tree. There is a \$10.00 limit.
