Trail Report:

Trails are not good due to the recent warm spell and rain. The trails in the woods still have some snow and though rough can be ridden on, the fields however are bare. The bridge on trail 5 on the pipeline, near the swamp off route 3 will need to be repaired. Peter and Keith have done a good job on the trail by C & S Market.

The Trail Map Update: Our online map is updated and complete. Shawn will be working on a way to get a printable map from the website. You can see the maps online to zoom in, print, review, etc. at http://fox-glen.com/map_index.html

Clubhouse News: One of our coffee pots needs a new stem/spring. Joe has offered to look into getting one.

Safety Officer:

Although you can still ride on some of the local trails, the recent change in weather has introduced new hazards. Some bridges may have washed away and rocks and stumps are now visible, take extra care.

It is easy to get turned around given that not all clubs mark trails the same way. Try riding the trail backwards when familiarizing yourself with new trails.
