Trails are no longer groomed, pass at own risk.

- There is snow in the woods.
- Streams, lakes, ponds are all All Drags back up and running.
We do NOT recommend crossing water.
- All sleds and drags are repaired, just in time for rain.
- The Carrier Signs and Map Boxes seemed to be a success.
We ran through 100 Maps and Membership forms.
- Did see some late season boondockers going off trail.
Please respect landowner property and stay on marked trails.
It is understandable to grab some fresh snow to cool down.
It is not acceptable to cross woods, buzz houses, etc.
- Need to Mentor new groomers.
Need to figure out best way to make drags available.
